

FORMAX DISCHARGE CONVEYOR

1 Year
GUARANTEED
Application

ZY3GC8-1

Modular Plastic Belt Conveyor

	Original Bearing	EDT Bearing
Bearing	Standard metal insert bearing in cast iron housing	ZY3GC8-1, stainless ball bearing in polymer housing
Failure	Rusty housings, frequent changeouts, downtime	Stainless bearing requires infrequent lubrication, polymer housing will not corrode.
Length of Service	1-2 months	12-18 months (guaranteed application)
Maintenance Required	Re-lubrication 2-3 times/week, frequent changeouts	Occasional re-lubrication of insert bearing
Features & Benefits	Low initial cost	Longer life; lower cost of ownership; reliable, trouble free operation

DISCHARGE CURVE CONVEYOR

ZY9GE8-1-7/6

Modular belt drive and idler bearings

	Original Bearing	EDT Bearing
Bearing	Standard steel insert bearing in cast iron housing	ZY9GE8-1-7/16, stainless ball bearing in polymer housing
Failure	Cast iron housing and insert bearing do not hold up to frequent washdown	SS Bearing insert resists corrosion. Polymer housing withstands washdown environment
Length of Service	1-1/2 months	12 months
Maintenance Required	Frequent re-lubrication 2-3 times/week. Frequent changeouts because of corrosion	Occasional re-lubrication
Features & Benefits	Low initial cost	Longer, more reliable life Reduced maintenance costs Lower cost of ownership
